## Chaplain's Reflective Thoughts

Sunday, Feb. 2, will mark the 79th anniversary of the sinking of the United States Army Transport Dorchester and the selfless acts of four Army chaplains aboard. The Dorchester tragically sunk on Feb. 3, 1943, while crossing the North Atlantic, transporting troops to an American base in Greenland. A German U-boat fired a torpedo that struck the Dorchester, killing 672 of the 902 officers and enlisted men, merchant seamen and civilian workers aboard. Many of those survivors owe their lives to the courage and leadership exhibited by four chaplains of different faiths, who, in sacrificing their lives, created a unique legacy of brotherhood.

As soldiers rushed to lifeboats, Reverend George Fox (Methodist), Jewish Rabbi Alexander Goode, Reverend Clark Poling (Dutch Reformed) and Father John Washington (Roman Catholic) comforted the wounded and directed others to safety. One survivor watched the chaplains distribute life jackets, and when they ran out, they removed theirs and gave them to four young men.

As the Dorchester sank, the chaplains were seen linked arm in arm, praying.

Chaplain Duke Martin

## Department Commander's Message

It is hard to believe that we are halfway through our membership year. It has been another tough year for all. It seems that just when we think we can go back to normal, life knocks us back two steps. We've had to say goodbye to family and friends. We can get through this together.

I commend all of you for your continued service to our veterans, families and communities. We continue to show that we are always here and ready to do whatever it takes to care for others, not just ourselves. I appreciate each and every one of you.

Have you done a buddy check today? Have you checked on your family, neighbor, or another post member? It only takes a minute to say, "I am calling to say hello and see how things are going.." Sometimes a kind word is all it takes to make someone smile and say someone does care about me. Your call can turn someone's life around.

Membership is critical for The American Legion Family. Numbers are down. Why? Some losses are normal. However, the question should be "What can we do to help those that may be struggling?"

I pray that you and your families stay safe and healthy. I am here. I will even come to visit if you want.

Tina

## National Officers Visit Alabama

Several national officers attended the 2022 Department Mid-Winter Conference in January. The national commander Paul Dillard, national Auxiliary president Kathy Daudistel, national Sons of the American Legion commander Michael Fox and national judge advocate Mark Seavey, all attended and spoke at our conference.

Remarks from Commander Dillard focused on membership. He mentioned how he came up with our goal for the year, which is basically where we ended last year. He offered several suggestions on how to achieve success. New members are important, but renewals are essential. The greatest accomplishments seem to come from buddy checks. It is a low cost effort, but very valuable to reaching out and checking on our members—especially with the last two years of the virus.

#### LEADERSHIP THOUGHT FOR TODAY:

It is very important for a leader not to lose touch with the people most affected by his or her leadership. To do this, a leader must have a close core of followers who have the confidence to tell him or her the truth. Some leaders give the signal that they will tolerate only good news. This is a terrible mistake. The most valuable follower a leader can have is one who will deliver the tough truth. When a leader asks, "How am I doing?" (and this is a question that should be asked periodically), a trusted and trusting follower should be able and willing to give a truthful, unvarnished answer.

Be sure you engender this kind of trust in a group of close associates who will be willing to give you both the good news and the bad news, both about how you are doing and about how people perceive your leadership effectiveness. Use their truthful, honest answers to make your future leadership more effective.

*"But you, "He asked them again, "who do you say that I am?"* Mark 8:29

Peace and Blessed

Minister Jeff Gibson Sr. PDC

### Membership Stats

All posts should be at 85 percent at this time. Overall, the 1st division is over 85%. Thirteen percent of posts (20) are at 100% or greater. Thirty eight percent of posts {62} are at 85% or greater. Twenty One percent {34} is below 70%.

Just a reminder that the Race to the Top Award is achievable. Districts need to achieve 100% by the end of March. There are several districts that are close enough to achieve that accom-

Target VII	March 9	90%
Target VIII	April 13	95%
Target IX	May 11	100%

plishment.

Below are the remaining target dates.

The bottom line is that membership is about our veterans and including them in an organization that is caring and working on their behalf. Thanks for doing your part in strengthening our veterans and The American Legion.

### The President's Remarks

The mid-winter conference was terrific. We were honored to host the National American Legion Auxiliary President Kathy Daudistel. We appreciated her making time in her busy schedule to join us. She shared lots of ideas with us. She's promoting care for the care givers of our veterans and family members.

We conducted round-circle training at the mid-winter conference. Please send me an email concerning your thoughts on the training. The feedback as been very positive, but we have only heard from a few. We value your input for future gatherings.

Keep up the great work on membership. However, we can and need to do better. Get excited, get busy, share our mission and programs, let others know what we do for our veterans and their families.

## State Legacy Fund Drive

Over the past five years Alabama's American Legion Riders have crisscrossed the state collecting donations for the National American Legion Legacy Scholarship Fund, collecting over \$10,000 each year.

In an effort to raise more funds from the state, we're asking each district to collect donations and we'll have a Department Rider delegation attend the district meeting to pick up donations. We suggest setting a goal of 50 cents or \$1 per member, to include the Auxiliary and Sons. If your district supports this proposal,

then contact a state Riders' officer to coordinate a collection date and location. Make checks payable to the Department of Alabama American Legion with the notation -for the Legacy Fund. For questions or more information, contact the Department Rider Director Bill Kilde at 207-841-5307 or turbine54@att.net .
